Re: Application for Change under Adjudicated Surface Water Certificate No. 89

Dear Mrs. Smith:

In response to your request, you are hereby granted an extension to complete construction for the reason(s) below:

Your request indicates that construction of the Chewelah North System has been ongoing since the time the water right change was approved. The extension is requested to complete install of telemetry and pipe testing, which has been delayed due to budget constraints. It appears you have made substantial goals in completing your project. Your request is for a reasonable and short period of time. We will grant you an additional two years to complete your project.

The new deadline to submit your *Construction Notice* is **August 1, 2011**.

You have a right to appeal this decision. To appeal this you must:

- File your appeal with the Pollution Control Hearings Board within 30 days of the "date of receipt" of this document. Filing means actual receipt by the Board during regular office hours.
- Serve your appeal on the Department of Ecology within 30 days of the "date of receipt" of this document. Service may be accomplished by any of the procedures identified in WAC 371-08-305(10). "Date of receipt" is defined at RCW 43.21B.001(2).
